- II. **Disabled:** Persons with Americans with Disabilities Act (ADA)-qualified disability. Passengers holding a Regional Reduced Fare Permit receive a reduced cash fare (half fare) on Routed Service. Medicare cards or other valid proofs of disability are accepted as a means to obtain a Regional Reduced Fare Permit~~Kitsap Transit ID card~~, which then entitles passenger to a reduced fare (half fare) on Routed Service.
- III. **Personal-Care Attendant:** Attendant traveling with eligible disabled customer -- free of charge.
- IV. **Youth:** Persons, including but not limited to students, age six (6) through age eighteen (18) -- reduced fare.

Free transfer ~~possible~~ with use of e-purse on valid ORCA Smart Card within and outside of Kitsap County.
- VIII. **Group Payment Program** (for groups who can be presumed to have a significant proportion of low income or student members): Groups of potential riders who can arrange prepayment by any collective means, such as Olympic College Students through the Associated Student Body, or ships crews through their Morale Welfare and Recreation Funds, can make arrangements similar to the matching program for major employers. In this case, however, the costing of the program will be based on 50% of the low-income fare, times the number of participants.
- IX. **VCB Special Passes:** In cooperation with ~~the Kitsap Peninsula Visitor & Convention Bureau~~ Visit Kitsap, Kitsap Transit will offer convention or event passes which can be issued by Visit Kitsap ~~the VCB~~ to all participants at an event. The cost of such an issue of passes to Visit Kitsap ~~the VCB~~ will be based on a calculation of the expected usage at a conference or convention, at a cost per ride of \$.50.
- X. **Fuel Surcharge:** The surcharge is initially envisioned as temporary, under the following terms:
 - It should go into effect after fuel prices for Kitsap Transit have averaged more than \$2.75 per gallon for six continuous months.
 - The fuel surcharge should be rescinded if Kitsap Transit's average fuel price falls below \$2.50 per gallon for six continuous months.
 - The amount of surcharge will be:
 - \$.25 per ride
 - \$5.00 per month
 - 2% on vanpool fares

- If Kitsap Transit’s fuel prices remain above the \$2.75 per gallon average for two continuous years, the Transit Board should consider making the fuel surcharge permanent, pending a review of expected long-term fuel price behavior.

XI. **Tacoma Narrows Bridge Surcharge:** The surcharge will be applied to the monthly fare of each vanpool van that commutes to Pierce County and/or beyond via the Tacoma Narrows Bridge. The monthly surcharge will be applied over and above the current vanpool rate, and will be a three-tier surcharge based on the schedule of the van users and the cost of the daily transponder toll, rounded to the nearest whole-dollar amount:

- 4-day work week = \$64
- 5-day work week = \$84
- 7-day work week = \$120
