The screenshot shows the Kitsap Transit website's Vanpool page. The browser address bar displays <http://www.kitsaptransit.com/vanpool-carpool-scoot/vanpool>. The page features the Kitsap Transit logo and navigation menus for RIDE, LEARN, CONNECT, ROUTE FINDER, and PLAN A TRIP. A search bar is located in the top right corner. Below the navigation, there is a section for RIDER ALERTS with a 'view all' link and a 'subscribe to alerts' link. A notice indicates a route is 'Out of Service...' at 11:04am on 11/23/15. The main content area is titled 'Vanpool' and includes a description of vanpools and a list of reasons to join or start a vanpool. Below this, there are sections for 'Current and Potential Vanpool Routes' and 'Program Resources'. The 'Program Resources' section is divided into 'Rider Resources' and 'Driver Resources'. The 'Driver Resources' list includes 'Pay Now!', 'Driver Eligibility', 'Driver Application Package', 'Driver/Rider Agreement', 'Administrative Instructions', and 'Monthly Reports'. The 'Pay Now!' link is circled in red.

Vanpool Carpool SCOOT

A vanpool is a group of commuters travelling to and from work together in a Kitsap Transit provided van. Riders share a similar starting location and employer destination. Riders can either find an existing vanpool or become a driver and start a new vanpool route.

Here are a few good reasons to join or start a vanpool:

- Lower your commuting costs
- Reduce wear and tear on your personal vehicle
- Enjoy a more relaxing commute
- Conserve our natural resources
- Reduce local traffic congestion and air pollution
