Kitsap Transit

60 Washington Avenue, Suite 200, Bremerton, WA 98337

Date of Public Hearing: September 1, 2020

Pursuant to RCW 35.58.2795

Glossary

ACCESS – Kitsap Transit’s ADA demand response bus service

ADA – Americans with Disabilities Act

APC – Automatic Passenger Counters

AVL – Automatic Vehicle Locator

BTC – Bremerton Transportation Center

CRA – Comprehensive Route Analysis

CTR – Commute Trip Reduction

DOD – Department of Defense

DSHS – Department of Social and Health Services

KT – Kitsap Transit

KTFF – Kitsap Transit Foot Ferry

LRTP – Long Range Transit Plan

NTD – National Transit Database

ORCA – One Regional Card for All regional fare payment card used on Puget Sound area transit systems and WSF

PSNS – Puget Sound Naval Shipyard

ROW – Right of Way

RRFP – Regional Reduced Fare Permit ORCA Card for qualified persons to ride for reduced cost at ½ the normal fare.

TAM – Transit Asset Management Plan

TIP – Transportation Incentive Program for Department of Navy employees to help reduce their daily contribution to traffic congestion and air pollution, as well as expand their commuting alternatives.

W / D – Kitsap Transit’s Worker/Driver program serving the PSNS and Bangor Naval Bases

WSF – Washington State Ferries

Section I: Organization

The Transit Development Plan (TDP) is reviewed annually and serves as a 5-year guide for Kitsap Transit. The TDP relates with the Long Range Transit Plan (LRTP) as an implementation and progress report reflecting on progress made towards the Kitsap Transit Vision. The Kitsap Transit Vision map is found in Section X on page 20.

Kitsap Transit (KT) is a public transportation benefit area authority, authorized in Chapter 36.57A RCW, and located in Kitsap County, Washington. Kitsap Transit began providing public transportation services in early 1983. KT's system map appears in Appendix I, showing the extent of the agency's service area. Beginning in 2011, as the result of a change in state law, membership on the KT Board of Commissioners increased from nine to ten and now includes one non-voting member who represents the agency's labor unions. The nine voting members of the

KT Board are the three Kitsap County Commissioners; the mayors (or an appointed Council Member) of the four incorporated cities in Kitsap County: Bainbridge Island, Bremerton, Port Orchard and Poulsbo; a member of the Bremerton City Council, appointed by the Bremerton City Council President; and one at-large member selected by the Board Chair from among interested elected officials from the four cities in the agency's service area. All board members serve for the duration of their elected term of office, with the exception of the Bremerton City Councilmember, who serves for a one-year term, and the at-large member, who serves for a two-year term and is selected at the last meeting in December or the first meeting in January every other year.

Kitsap Transit added a Marine Services Department as a result of the approval of Proposition 1 in November 2016. The Proposition authorized the collection of 3/10 of a cent sales tax to support passenger-only Fast Ferry services to Seattle from Bremerton, Kingston and Southworth. Increases in service hours, mileage and ridership forecasts can be attributed to the planned service improvements associated with new ferry services and the implementation of recommendations from the Long Range Transit Plan (LRTP) and the Comprehensive Route Analysis (CRA). New Fast Ferry service started in the summer of 2017 from Bremerton to Seattle; service began in late 2018 from Kingston to Seattle and scheduled for 2020 from Southworth.

Kitsap Transit's adopted Board of Commissioners Goals for 2020

Bus Service Planning/Improvements

- Complete design phase for Silverdale Transit Center in preparation for environmental assessment
- Increase ridership by 3 percent
- Reduce Average Claim frequency by 40 percent (40%)
- Fully implement Drive-Cam or similar system in Routed and ACCESS services
- Adoption of long-term base siting plan

Passenger-only ferry projects

- Implement ferry service between Southworth and Seattle
- Complete alternatives analysis for additional KT vessel capacity on Seattle waterfront

Environmental Sustainability

- Transition to paperless employee module for payroll information
- Reduce greenhouse gas emissions by 5 percent (5%)
- Adoption of plan for infrastructure options to implement electric bus fleet

Administration

- Migrate to new, cloud-based platform of Financial Edge financial software system
- Develop and implement a marketing campaign for the Southworth Fast Ferry Launch equal to/greater than the one developed for the Kingston Fast Ferry Launch
- Refresh KT website
- Develop and distribute a monthly electronic newsletter to riders

In 2019, Kitsap Transit employed full-time equivalent employees in the following departments:

3.0	Full-time equivalents in the Executive Division
239	Full-time equivalents in the Operations Division
	Of these:
127.5	were for Routed Service
87.5	were for ACCESS Service
20.0	were for Worker/Driver Service
57.5	Full-time equivalents in the Vehicle and Facilities Maintenance Division
21.8	Full-time equivalents in the Service Development Division
10.2	Full-time equivalents in the Finance Division
7.0	Full-time equivalents in the Human Resources Division
3.0	Full-time equivalents in the Capital Development Division
27.2	Full-time equivalents in the Marine Services Division
3.5	Full-time equivalents in the Marketing Division
372.2	Full-time equivalents as of 12/31/2019

Section II: Physical Plant

Kitsap Transit's administrative offices are located at 60 Washington Avenue, Suite 200 in Bremerton, WA, 98337. The agency's primary maintenance and operations facility is at 200 Charleston Boulevard, Bremerton, WA, 98312-4199. In addition, Kitsap Transit has a North Base at 21711 Vetter Road NW, Poulsbo, WA, 98370 and a South Base at 1430 Retsil Road, Port Orchard, WA, 98366. Routed and ACCESS operators report to the South Base and to the North Base for transit service in those areas.

Kitsap Transit also has a customer service office in the Bremerton Transportation Center (BTC), a major, multi-modal center serving buses, car ferries and passenger-only ferries, that opened in 2000 at 10 Washington Avenue in downtown Bremerton and a Call Center located in the Harborside Administration Bldg. A commuter-oriented, bicycle-storage facility, The Bike Barn at Bainbridge Island, opened in 1999 in the center of the Bainbridge Island Transfer Center. Renovations of The Bike Barn are occurring and will provide for an updated modern facility in line with current cycling standards.

The Appendices contain the completed forms for the state's public transportation management system for all Kitsap Transit's owned and contracted revenue vehicles and facilities.

Kitsap Transit owns 5 park and ride locations and leases 18 locations. The five owned locations are displayed below.

Name	Location	Stalls
Annapolis Ferry Terminal	1076 Beach Dr. E, Port Orchard	75
Georges Corner	27618 Hansville Rd NE, Kingston	225

Harper	10384 SE Sedgwick Rd, Port Orchard	462
North Viking Transit Center	21710 Vetter Rd NW, Poulsbo	265
*New - Wheaton Way Transit Center	3915 Wheaton Way, Bremerton	162

Section III: Service Characteristics

In 2019, Kitsap Transit provided fixed route service, ADA-accessible demand response service (ACCESS), VanLink, Worker/Driver service, vanpool service, general public dial-a-ride service, on-demand and foot ferry service for parts of Kitsap County. Kitsap Transit's system map, in Appendix I, shows where Fixed Route service, On-Demand Ride services, Worker/Driver service, and Kitsap Transit Foot Ferry (KTFF) service is offered.

The headways for routes that operated all day were usually one hour for local feeder routes and 30-45 minutes for trunk line routes. During commute hours, many of these all-day routes are also scheduled to meet Washington State Ferries (WSF) at the Bainbridge Island, Bremerton and Southworth terminals. Weekday service hours are from 4 a.m. to 8:30 p.m.

In 2017, Kitsap Transit introduced the Bremerton to Seattle Fast Ferry service and two new routes connecting to that service in Bremerton. In late 2018, the Kingston Fast Ferry service began linking Kingston to Seattle with six weekday round trips and two new routes. Kitsap Transit also began to offer an on demand service linking areas around Kingston to the new ferry service.

On Saturdays, 18 fixed routes were operated on one-hour headways between 10 a.m. and 5:30 p.m. The Port Orchard to Bremerton Foot Ferry operates every 30 minutes on Saturdays.

****In 2019, Kitsap Transit implemented a 30 minute service frequency between Silverdale and Bremerton on two routes. In the summer of 2019 service frequency was increased on the Poulsbo to Bainbridge Island route to 30-40 minute frequency.***

****The Route 301 was introduced offering service connecting to Fast Ferries and direct connections between Olympic College campuses in Bremerton and Poulsbo.***

2018 marked the 75th year of the Worker/Driver program serving Puget Sound Naval Shipyard and Naval Base Kitsap. Kitsap Transit operates 34 Worker/Driver routes.

Fares:

Cash fares are \$2 on Routed buses and the Kitsap Transit Foot Ferry (KTFF), payable with cash or E-purse funds loaded on an ORCA card. Cash fares are \$1 on Routed buses and the KTFF with a Reduced Fare or Regional Reduced Fare-qualified ORCA card or a Regional Reduced Fare Permit (RRFP) Card. Cash fares on ACCESS (demand response) buses and Dial-A-Ride services

are \$2, and there is a \$1 surcharge for outlying area service in *ACCESS*. VanLink service is \$2.00 as well.

The new Fast Ferry fares are below.

Fast Ferries	Eastbound	Westbound	Monthly Pass	
	Per trip fare		Fast Ferry only	Kitsap Transit Bus / Fast Ferry
Adult	\$2.00	\$10.00	\$168.00	\$196.00
Reduced Fare	\$1.00	\$5.00	\$84.00	\$98.00

Reduced Fare Eligibility

Riders who meet the following criteria are eligible for a Reduced Fare ORCA Card:

- Youth: Age 6-18 with proof of age.
- Low Income: Department of Social and Health Services (DSHS) low income, with proof of DSHS status and family size.

Riders who meet the following criteria are eligible for a Regional Reduced Fare ORCA Card:

- Medicare Cardholders
- Elderly: Age 65 and older with proof of age.
- Disabled: With proof of Medicare card, Social Security Disability benefits, 40% or greater Veterans Affairs disability rating or Supplemental Security Income benefits for a disability.

Monthly Passes

Monthly Bus Pass - \$50

Valid on KT Routed service, *ACCESS* (eligible riders only) and KTFF.

Fast Ferry Pass - \$168 for Fast Ferry Only and \$196 for Bus and Fast Ferry.

Reduced Fare Monthly Bus Pass - \$25

Reduced Fast Ferry Pass - \$84 for Fast Ferry Only and \$98 for Bus and Fast Ferry.

Reduced fare is valid on KT Routed service, *ACCESS* (eligible riders only), Fast Ferry and KTFF. Riders must qualify for and have a Reduced Fare or Regional Reduced Fare-qualified ORCA card to purchase.

Regional Monthly Puget Pass

Valid for fare on Kitsap, Everett, Pierce, Metro, Community and Sound Transit(s) up to the trip value. When riding a service with a higher fare, the difference can be paid with cash or via ORCA E-purse. Many trip values are available. The most common for KT riders are:

- Puget Pass - \$2 each fare or \$72 a month or \$360 for eastbound and westbound with Fast Ferry service
- Reduced Fare Puget Pass - \$1 Fare or \$36 a month or \$180 for eastbound and westbound with Fast Ferry service

Riders who use WSF can add a monthly ferry pass to their ORCA card in combination with any of the passes above to pay their fare on all the systems they ride. There is also now a Regional all day pass that can be purchased and loaded onto an Orca card for \$8.00. Reduced fare for Senior/Disabled is \$4.00 and must be loaded onto an RRFP Orca card.

Employees of the DOD who commute to work by bus, vanpool, or ferry (walk-ons or passengers in a vanpool on WSF) are eligible to be reimbursed up to the current TIP subsidy amount, per month, for their actual commuting costs. The reimbursement allows free rides on Routed bus, Worker/Driver bus, vanpool (up to the current TIP subsidy amount per the TIP guidelines), KTFF or *ACCESS* service.

Free Riders

- Children under the age of six ride free when accompanied by a fare-paying, responsible individual.
- Any of the region's law enforcement personnel and fire fighters, in uniform or out of uniform, inside or outside of their jurisdiction.
- Personal-care attendants traveling with eligible disabled customers.
- Bikes ride free on Kitsap Transit buses and the Kitsap Transit Foot Ferry, limited to space available.

Vanpools

Vanpool rates are determined by the size of the van, the number of miles traveled on the vanpool route and the number of riders on board. A full listing of vanpool fares and information can be viewed on our website at <http://www.kitsaptransit.com/vanpool>

Worker/Driver Buses

The one-way cash fare on Worker/Driver (W/D) buses is \$3.00, payable with cash or ORCA card E-purse. W/D riders can also pay their fare with a \$97 KT W/D monthly bus pass loaded on an ORCA card. Monthly passes are valid on W/D routes as well as on Routed, *ACCESS* (eligible riders only) and the KTFF. Most W/D fares are paid by the DOD.

Section IV: Service Connections

KT provides bus connection services at the following transportation facilities:

- **New!** - Kitsap Transit's Fast Ferry arrival location in Seattle is a short distance from King County's Bus Routes 21, 37, 55, 56, 57, 113, 120, 121, 122, 123, 125 and the C Line Rapid Ride.
- Bremerton Transportation Center (BTC) with connections to WSF, KTFF, Mason Transit and other KT bus routes
- Bainbridge Island Ferry Terminal with connections to WSF, Clallam Transit and other KT bus routes
- Kingston Ferry Terminal with connections to WSF and other KT bus routes
- Southworth Ferry Terminal with connections to WSF
- Port Orchard Ferry Dock with connections to KTFF and other KT bus routes
- Annapolis Ferry dock with connections to KTFF
- West Bremerton Transfer Center with connections to other KT bus routes
- East Bremerton Transfer Center with connections to other KT bus routes
- Silverdale Transfer Center with connections to other KT bus routes
- North Viking Transit Center with connections to other KT bus routes, Clallam and Jefferson Transit
- Purdy park & ride lot in Pierce County with connections to Pierce Transit routes 100 and 102

In addition, KT provides open-door service to many of the middle and high schools in its service area, as well as the Bremerton and Poulsbo branches of Olympic College. All but one of the W/D buses and many vanpool vans serve Puget Sound Naval Shipyard (PSNS)/Naval Base Kitsap. Other vanpools serve Naval Base Bangor along with one W/D bus.

The Bainbridge Island Ride (BIRide) service started in June 2014. The service provides curb to curb dial-a-ride service to the general public. It operates Monday-Friday from 9:30 a.m. to 3:20 p.m. and Saturdays from 10:35 a.m. to 3:55 p.m. More information can be found at: <http://www.kitsaptransit.com/service/routed-buses/bi-ride>

The South Kitsap Ride (SKRide) service commenced in 2015. It offers an on-demand style of bus service that utilizes both traditional call-in requests and an application that can be downloaded to a phone or computer to request rides in the McCormick Woods area of Port Orchard, parts of Bremerton and the County. The service offers connections to Routes 4 and 5. More information can be found at: <http://www.kitsaptransit.com/service/routed-buses/sk-ride>

Kingston Ride services begin operation in June 2017. The service is based upon a similar model as the South Kitsap Ride bus service. The Kingston Ride will offer connections to WSF ferries at Kingston and Kitsap Transit routes 91 and 92 serving Bainbridge Island and Suquamish. More information can be found at: <http://www.kitsaptransit.com/service/routed-buses/kingston-ride>

Kingston Ride Fast Ferry Commuter service began operation in November 2018. The Fast Ferry Commuter Service is a shared ride shuttle to and from Kingston Ferry Terminal. The service allows for riders to call ahead to reserve their seat connecting to each of the Fast Ferry sailings to Seattle. It is similar to the Bainbridge Island Ride service. More information can be found at: <http://kitsaptransit.com/service/routed-buses/kingston-ride-fast-ferry-commuter>

Kitsap Transit operated Routed service and Worker/Driver service to 23 park & ride lots throughout Kitsap County in 2019.

Section V: Activities in 2019

In 2019, we addressed RCW 47.04.280 Transportation System Policy Goals through the following action strategies:

1. Preservation: To maintain, preserve, and extend the life and utility of prior investments in transportation systems and services.

- Started construction on the revitalization of the Bremerton fast ferry dock.
- Began reconstruction of the Annapolis Foot Ferry dock to achieve ADA standards.
- Expanded work days to seven days a week for Preventive Maintenance Technicians to better address the needs of our fleet with minimal service interruptions and less lag time.
- Continued replacing our older fleets with 16 new clean diesel and 12 propane coaches.
- Created fund of \$4 million to improve Kitsap Transit's ability to respond to changes in sales tax revenue.
- Placed \$6.0 million in capital reserve to support ongoing capital improvement projects.

2. Safety: To provide for and improve the safety and security of transportation customers and the transportation system.

- Completed USCG security audit and surprise inspection without deficiencies.
- Created a Safety & Security Training Administrator position to assist in the management of Safety and Security policy creation and implementation to ensure regulatory compliance.
- Exceeded current security standards and maintained the security plan with WSF for the state-operated ferry terminals in Kitsap County.
- Approximately ten percent (10%) of employees have maintained their first aid/CPR certifications.
- Increased the use of safety technology by upgrading video surveillance systems.
- Continued to install "bus camera" systems, where all new bus purchases will have bus cameras installed as we purchase replacement rolling stock.
- Researched and identified a Driver Improvement Technology Program to implement in conjunction with our current camera systems (AngelTrax) to assist in promoting driver safety throughout our operation.
- Applied for, and awarded (\$64,907), the WSTIP Technology Risk Reduction Initiative Grant through the Washington State Transit Insurance Pool to support funding for the identified driver technology, AngelTrax.
- In conjunction with the Washington State Transit Insurance Pool, conducted an annual Best Practice audit of the agency's safety practices. Implemented minor improvements to current practices.
- Applied for, and awarded (\$2,500), the WSTIP risk management grant to improve collision investigation diagramming software at the agency to assist in the collection and accurate reporting of driving safety events.
- Continued the Near Miss policy designed to obtain and analyze data trends to mitigate risk before a safety event occurs. The identified driver improvement technology is also

designed to support capturing data associate with near misses and support the near miss program.

- Conducted annual emergency drills.

3. Mobility: To improve the predictable movement of goods and people throughout Washington State.

- Received three new vessels, one for Foot Ferry service and two for the POF Bremerton to Seattle route.
- Tested two vessel Bremerton service and received the approval to start in 2020.
- Opened the Wheaton Way Transit Center - replaced an outdated non-ADA compliant East Bremerton Transfer Center and improved travel time reliability.
- Increased routed service frequency along three corridor routes from every 60 minutes to 30-45 minutes.

4. Environment: To enhance Washington's quality of life through transportation investments that promote energy conversation, enhance healthy communities and protect the environment.

- Partnered with WSF to conduct noise study of KT vessels on behalf of the Southern Resident Killer Whale task force.
- Continued ISO 14001 certification for Charleston and North base by passing annual surveillance audits with SAI Global.
- Obtained ISO 14001 certification for Marine Services fueling, storage and light maintenance at Bremerton Transportation Center.
- Upgraded North base bus lot to include electric bus charging stations.
- Facilities Maintenance acquired a sweeper cleaning truck to help eliminate waste from storm drains and to clean pervious pavements.

5. Stewardship: To continuously improve the quality, effectiveness and efficiency of the transportation system.

- First Hybrid electric POF to be put in service on the Puget Sound serving the Bremerton to Port Orchard Foot Ferry route to reduce diesel fuel consumption and improve emissions.

Section VI: Proposed Action Strategies, 2020 – 2025

The proposed changes in Section VI below are action strategies that reflect upon the following state Transportation Service Objectives.

Kitsap Transit will implement recommendations from the Comprehensive Route Analysis (CRA) in a phased approach based upon available resources. The full implementation of recommendations is expected to require at least 1 year.

1. Preservation: To maintain, preserve and extend the life and utility of prior investments in transportation systems and services.

- Restore Kitsap Transit service levels in all modes to pre-COVID-19 levels to meet community needs.
- Complete heavy maintenance on Kingston vessel and Bremerton vessels.
- Complete upgrades to local docks to make them universal for all KT's vessels.
- Continue to purchase electric coaches to replace diesel powered coaches, when able to be supported by the county's electrical infrastructure.
- Rebuild 37 Gillig low-floor and 17 Gillig Phantom coaches. Each rebuild would include completely new or rebuilt engine, cooling, AC and transmission systems, floors, seats, paint and modern capabilities with the new technology.

2. Safety: To provide for and improve the safety and security of transportation customers and the transportation system.

- Receive Security plan approval for the new vessels.
- Continue to receive no deficiencies during security inspections and audits.
- To upgrade systems on buses so that analytics for driver performance can be captured and additional training can be accomplished.
- Maintain current security standards and update information to be included in the Kitsap County Hazard Mitigation Plan.
- Perform yearly emergency drills.
- Order new buses equipped with on-board video.
- Continue to apply for applicable safety and security grants.
- Implement and maintain KT's Respiratory Protection Program in response to COVID-19.
- Work toward ISO 45001 Occupational Health & Safety Standard certification.
- Implement, benchmark, and manage AngelTrax driver improvement technology throughout the Routed and ACCESS vehicle Fleet.
- Continue the New Operator Training Program and implement the updated curriculum from WSTIP/TATPCO which is based on Safety Management System principles.
- Continue the Advanced Operator Training Program.
- Implement and maintain the Safety Management Suite (J.J. Keller) regulatory compliance system for safety risk management.
- Continue to evaluate and update security technology as needed throughout

the Kitsap Transit System.

- Plan and conduct active shooter training in conjunction with Kitsap County Sheriff Department.
- Conduct annual Emergency Operation Center drill in cooperation with Kitsap County Department of Emergency Management, to ensure readiness.

3. Mobility: To improve the predictable movement of goods and people throughout Washington State.

- Complete the Silverdale Transit Center including all design and engineering to improve service to the Silverdale Regional Center.
- Conclude the ROW acquisition, design and construction of a new Park and Ride along the Highway 16 corridor to support reduced traffic in Gorst.
- Move forward with the ROW acquisition, design and construction of a new Park and Ride along the Highway 104 and Bond Road to support reduced traffic in Kingston.
- Receive and put in service two new POF vessels.
- Determine need and implement new bus service to the Southworth Ferry Terminal.
- Add Southworth service to the POF program to improve connections to Seattle from the South Kitsap area.

4. Environment: To enhance Washington's quality of life through transportation investments that promote energy conservation, enhance healthy communities and protect the environment.

- Continue to be the leaders in good marine mammal stewardship in the Puget Sound.
- To have no reportable oil spills or environmental impact issues.
- Continue ISO 14001 certification for Charleston Base, North Base, and the Bremerton Fast Ferry Terminal.
- Develop an SPCC Plan that is approved by a qualified engineering firm.
- Complete the construction and placement of supporting electrical infrastructure at the Charleston Base; expanding the electric bus fleet capacity.

5. Stewardship: To continuously improve the quality, effectiveness and efficiency of the transportation system.

- Conduct alternatives analysis for a new regional passenger only ferry terminal in Seattle to accommodate the POF service into the Seattle Regional Center.
- Complete the design for a new heavy duty maintenance facility at North Base to ensure full system efficiency and continuity of operations.
- Complete preliminary engineering in partnership with WSDOT for a second ferry slip at the Southworth Ferry Terminal to improve operational efficiency and capacity.

Appendix IV: SK Ride Service Area Map

SK RIDE Service Area

Pick-ups and drop-offs will be made inside the white area of the map.

Buses will also serve Harrison Port Orchard to meet Kitsap Transit's #4 Tremont bus, the Albertsons on Sedgwick Road to meet the #5 Sidney bus and Fred Meyer to meet the #8 Bethel.

Appendix V: Kingston Ride Service Area Map

Kingston Ride Service Area

Pick-ups and drop-offs will be made inside the white area of the map. Connect with routed buses and the ferry to travel outside the Kingston Ride Service Area.

Kingston Ride will also provide direct service to The Point Casino
