## Methodology and Responses

- Shared via public meeting, local media, social media and posted on Kitsap Transit website
- Printed copies were available through Kitsap Transit upon request (none requested)
- 1,242 respondents (n=1,242)
  - Significantly more than survey 1 (Survey 1 n=771)
  - Respondents self-selected routes on which to comment
    - Bremerton n=624
    - Kingston n=392
    - Southworth n=348
- Fielded February 21 to March 7
  - 73% of responses received in first 4 days

## **Key Findings**

- Strong response rate, survey persistence and extensive open-ended comments show a high level of interest and engagement on the topic.
- Among morning commuters headed to Seattle, 7:30 AM is the most popular arrival time for all routes.
- Among afternoon commuters headed to Kitsap County, preferences vary: Bremerton prefers 5:30 pm; Kingston prefers 4:30 pm; Southworth prefers 4 pm.
- Driving and taking the bus are the most popular ways to get to/from Kitsap ferry terminals. Kingston and Southworth riders are more likely to drive than those in Bremerton.
- 47-53% expect to use Saturday service. Kingston and Southworth respondents are more likely to say they'll use this service.
- Saturday scheduling preferences are split similar proportions prefer the earliest scheduling block and the latest scheduling block.
- Saturday riders are more likely to drive to Kitsap County ferry terminals than are weekday commuters.

# 50% ride a ferry across Puget Sound three or more times/week

How frequently do you ride a ferry across Puget Sound? Would you say...

## Bremerton Schedule

# Basic service information was provided to respondents

Before we get started, here are some things to know about the new service between Bremerton and Seattle:

- Service will start this summer
- Service will be provided Monday through Friday during commute hours and on Saturday
- Initially, 12 one-way trips (6 roundtrips) per day on weekdays and 20 one-way (10 roundtrips) on Saturdays are planned
- Crossings will take about a half hour
- After an evaluation period, service levels may be increased to include additional mid-day, evening, weekend, or special event trips
- Between October and April, service will be reduced to only weekdays during commute hours

Overall, 93% of those commenting on Bremerton service plan to use the service

Do you plan to use the Kitsap Transit Fast Ferry service between Bremerton and Seattle?

■ ALL ■ FREQUENT RIDERS

# 3 in 4 want the Fast Ferry to leave slightly before Washington State Ferries (WSF)

## When it comes to the Kitsap Fast Ferry schedule, which would you prefer?

#### ■ ALL ■ FREQUENT RIDERS

Kitsap Fast Ferries should leave slightly before WSF are scheduled to depart, so that if the Kitsap Ferry is full, riders can ride WSF instead.

Kitsap Fast Ferries should depart after WSF so riders can arrive at their destination around the same time as WSF with less travel time.

How do you plan to get to and from the Bremerton/Kingston/Southworth ferry terminal on Saturday, most of the time? (Multiple responses allowed. Sums total more than 100%.)

#### Getting to Kitsap ferry terminal: Weekends vs. Saturdays

How do you plan to get from your home to the Bremerton/Kingston/Southworth ferry terminal in the morning, most of the time? (Multiple responses allowed/sums total more than 100%)

#### **Open-Ended Comments**

Hundreds of open-ended comments were provided. Comments related to schedule tended to focus on:

- Specific comments about shift/schedule preferences
- Importance of aligning bus and ferry schedules
- Desire for game day or Sunday service
- Desire for year-round service (it's unclear if people don't understand it's only the weekend service that's seasonal)

Other comments included:

- Support for and opposition to the service
- Feedback on the reservation system
- Suggestions about origin/destination
- Fare/cost comments
- Equipment and staffing suggestions
- Other comments about bus service
