Revise: All references to question due date and request for clarification due date as follows:

Questions and Request for Clarifications due ~~5:00 PM~~ **10:00 AM August 16, 2019**.

Revise: Revise Section 2.30 Environmental Sustainability Management System Compliance as follows (**revision in Bold**):

2.30 Environmental Sustainability Management System Compliance: Kitsap Transit has adopted an environmental policy that requires contractors to support our existing Environmental Sustainability Management System (ESMS). As part of that support, all Contractors Bidding on Kitsap Transit projects must supply a completed Contractor Management Environmental Checklist (~~Exhibit E~~) (**Exhibit F**) with their bid. Upon award of the contract, a representative of the Awardee must attend thirty (30) minute training at Kitsap Transit's Charleston Base located at 200 Charleston Blvd Bremerton WA. At the training, the representative will receive a copy of the training and will be responsible for ensuring all of their employees that may work on this project have received the training.

All other terms and conditions remain the same.
