Clarification:

Clarification: The advertisement that ran in the Kitsap Sun and that was posted on Kitsap Transit's website contained an error. The Due Date listed was March 17, 2020 but the correct date is March 19, 2020 as listed in the IFB.

Correction:

Correction: Section 6 Part 5 has been modified to reflect the bidding schedule described in Specification Section 01 29 00. The updated Part 5 is attached and should replace Part 5 of the original solicitation and should be used for Bid submissions.

Questions Asked and Answers Provided:

Question #1: Is there an engineer's estimate for this project?

Answer #1: Kitsap Transit does not have an estimate that they are willing to share.

Question #2: Can we get a copy of the current Plan Holders list and the pre-bid sign in sheet?

Answer #2: Attached

Question #3: Is building foundation and lower level concrete floor to be removed as part of the demo?

Answer #3: Yes

Question #4: Is the temporary fencing to be panel or post construction?

Answer #4: Fencing should be temporary fencing with no posts in ground.

Question #5: Are there any underground utilities to be removed (Strom, Sewer, Power/Comm conduits, watermains)?

Answer #5: No

Question #6: Is there any landscaping to be demoed?

ADDENDUM #1

Answer #6: No

Question #7: I want to verify that none of the asphalt pavement comes out on this project? All of the parking lots and trees/hedges are to stay?

Answer #7: None of the asphalt pavement comes out on this project. All of the parking lots and trees/hedges are to stay.

All other terms and conditions remain the same.
