### **Revisions, Corrections and Clarification:**

**Revise Scope of Work:** Kitsap Transit will be revising the scope of work for this project to include the installation of one (1) diesel generator at our Vetter Road bus storage yard. We will also be presenting two (2) optional pieces of work. Option 1 will be to procure and install a propane generator at our administration building on Viking Avenue and Option 2 will be to procure and install a propane generator at Kitsap Transit's park and ride facility on Viking Avenue. These optional scopes of work will be released on September 5<sup>th</sup>.
