

# Kitsap Transit SR 16 Park and Ride Alternatives Analysis

## Share your feedback in our Online Open House

Kitsap County and Port Orchard are growing, especially in areas west of SR 16 near the Sedgwick and Tremont interchanges. With the growth, traffic and demand for parking is increasing in downtown Port Orchard and Bremerton. Kitsap Transit is conducting a study to identify a park and ride location to address this growth.

**After a thorough analysis**, the following two locations have been selected as potential park and ride locations:

**Option 1:** SW Old Clifton Rd / Lloyd Pkwy

**Option 2:** Sidney Rd SW / North of SW Sedgwick Rd

### Some of the benefits of a new park and ride include:

- Increased connections to transportation options.
- Reduced parking demand and traffic congestion at the Bremerton Naval Base, Southworth Ferry Terminal and downtown Port Orchard.
- Reduced traffic along SR 16 around the Gorst area and on Sedgwick and Tremont roads.

OPTION 1

OPTION 2

# How you can help

## Public input is important throughout the study process.

Kitsap Transit is looking for input regarding a proposed project in your neighborhood. Your feedback will be a factor in the final decision of the location of this park and ride, including which option you think will be the best for the community in terms of location, accessibility, environmental impacts and more.

Please visit [www.SR16parkandride.com](http://www.SR16parkandride.com) to learn more and share your feedback.

The online open house will be live from **July 8 – July 22, 2020**.

### Visit our online open house to:

- Learn about the two proposed park and ride locations.
- Review the evaluation criteria the design team used to select the proposed park and ride locations.
- Review the advantages and disadvantages of the park and ride location options.
- Provide feedback on the proposed site options.

## Stay Informed!

For more information, and to stay up to date on the project, visit our website or contact the Kitsap Transit Capital Director, Steffani Lillie.
