After review of questions received, Kitsap Transit has decided that the information being requested is more technical than what we are comfortable providing. To that end, we are allowing a ship check for interested parties that wish to take measurements and/or photos of the work area onboard the Commander.

Please call Michael Ricketts at 360-473-1127 to arrange time for you or your team to come out to visit the Commander. Current availability below

Monday/Thursday: 12:00pm – 1:30pm

Tuesday/Wednesday/Friday: 10:00am – 1:30pm

Please also note that we will be pushing the first review of bids to **January 26, 2023 @ 2:00pm**

All other terms and conditions remain the same.
